

A Time To Begin

Once again this spring graduation day approaches in schools all across the land. It will be an exciting, proud and unforgettable day in the lives of millions of youngsters and their families. Each of us remembers this day in our own life. For it brought recognition of achievement and a time to say goodbye to many friends and familiar surroundings. This year's graduates will experience these same feelings and they will move on to meet the challenge and the opportunities of the world before them.

Today man's sum of knowledge and applications of it move ahead at an unprecedented pace so graduation exercises now as never before mark not an end but a beginning. Young people must keep with them always, as a way of life, the habit of learning and growing that took them through their years of education. If they keep this as the most important lesson learned in school, the world will be theirs to shape.

Outstanding Citizenship Award Goes To Luther Jones

LUTHER JONES, JR., Jaycee member for over five years, accepts the Jaycee's award for outstanding citizenship service for his father, Luther W. Jones, Sr., who, due to illness, was unable to attend. The presentation was made by outgoing Jaycee president Ray Alston, who presented the award to Luther Jones, Jr. at the annual Jaycee dinner at the Palm Beach Hotel, June 4. Luther W. Jones, Sr., publisher of the Belle Glade Herald, was awarded the Jaycee's Citizenship Award for his outstanding service to the community. He was chosen from a list of 12 nominees, "due to his everlastingly fight for better roads and living conditions for our area; also, for his efforts to bring to our local citizens first-hand information on Russia's way of life, as gleaned from his trip to that country last year."

"He made many personal appearances and showed pictures and slides of Russia to many group and organizations throughout the county," President Ray Alston said. "The citizens of the year award is given for outstanding community service to any deserving citizen of the Belle Glade area."

Carl Waggoner Elected Head Of Civitan Club

The Belle Glade Civitan Club has held its election of officers to serve during the 1964-65 club year.

President, Carl Waggoner; 1st Vice President, R. S. Burr; 2nd Vice President, Ed Hart; Secretary, Vene Marquess and Treasurer, Dick Murray.

Directors to serve with the incoming officers starting July 1st includes Immediate Past President, Marvin Smith, Ken Lutz, E. F. Allen, Myron Lutz, Jerry Fussell and Don Fisher. Installation ceremonies will be held at the Community Center June 30th.

THANK YOU... Is So Inadequate...

"How can I thank the people in the community who were so wonderful to us?" Mrs. Edward L. Gilliland asked. "I don't know where to begin... everyone has been so considerate."

How can a community adequately express its feelings to the family of one who gave his life trying to save his fellow man?

How many lives will be needlessly taken by car-canal accidents in the Glades? What solution is there to prevent such tragedies?

Mrs. Doris Gilliland, 32, is left widowed and two children, Janet 8, and Linda 6, without the loving care of a father.

Mr. Gilliland had just left Triangle Sod Co., where he was foreman, riding with Mr. and Mrs. Kenneth Head, immediately behind the car driven by Howard League, 19, in which Larry Henson, 19, was drowned about 3:24 p. m. 3 miles east of Belle Glade on SR 80, May 23.

"He always tried to help anyone he could, wherever he could," Mrs. Gilliland explained. "He was the first who came along who could swim."

Recalled to facing the future devoting her efforts to rearing the two children, the widow just back from Alabama where her husband was buried said — "It would have happened some way — it was his time to go and was God's will."

This is the second such tragedy in our area within an 18 month period of time. In October of 1962 another husband and father, Billie Culbertson, lost his life helping in a car-canal accident near the same area.

Belle Glade's Improved Water Sewer Project A Step Nearer

Belle Glade is a step closer this week toward the go-ahead on the City's 2.75 million dollar program to improve its water supply and extend sanitary sewers to 90 per cent of our residents.

City Manager Tevis Hugueny announced papers were filed Tuesday afternoon, and a Circuit Court hearing on validation of a bond issue to finance the project set for June 23 at 2 p. m.

A court fight is not likely since the city will pay off bonds with revenues from water and sewer service charges, which removes the issue of a tax increase.

About \$600,000 of the bond money will be channeled into improving Belle Glade's water system, which includes a new water supply area in the Lake.

It is expected work will get underway on the long-planned project this summer, according to Mayor LeBron Williams.

S. B. City Hall Closed Wednesdays

South Bay City Hall offices will be closed every Wednesday afternoon from 12:00 o'clock according to an announcement by City Manager Bill Eggleston.

The new hours became effective Monday, June 1.

The South Bay City Commission in recent action accepted the bid of Seminole Supply of Belle Glade for a Storage Barn located on N. W. 7th Avenue.

The new city barn when completed will be used for storage of vehicles and properties. It will also serve as a shop for repairing of water meters and other city properties. The barn will be 40 by 60 and will also house water pipes and other valuable material presently stored at the city hall.

Memorial Day Indian Pow-Wow Draws Crowd

The Indian Pow-Wow held May 30, Memorial Day, behind the Belle Glade Junior High School drew hundreds of spectators from this area, West Palm Beach, Miami, and other cities in South Florida. Some sat in the sun for over two hours to see young and old white men try their hand at Indian dancing in western style. They heard Billy Bowlegs and Josie Billie, the oldest medicine man and religious leader of Mikasuki Seminoles, sing some of the old songs from the Green Corn Dance and other Seminole celebrations.

Venison and wild hog were taken from the freezer and barbecued for the occasion to the approval of Billy Bowlegs who said it was as good as he'd ever eaten.

Billy Bowlegs II, born in 1881, is the oldest living Seminole Indian. His visit in Belle Glade Saturday was the first since he "went to police his own out canoe through the canals and marshes to hunt game and tend the trapline he had in this area nearly three-quarters of a century ago."

To conclude the "World of Activities," Mickey McKee gave an overview of the 1964 Ramble.

The Superlatives of the 1964 Class were presented on the stage by John Causey. Next, Seniors came out the rocket door as each name in the Class Prophecy was called by Kay Williams.

Kay Campbell, Rachel Collier, and Francis Holton presented hilarious songs to the Seniors.

It was then time for an intermission and Mrs. Bailey played some peppy numbers on the piano for everyone's enjoyment.

Ron Halbrook, Senior Class President, presented a challenge which was symbolized by the Flower chain. It was accepted by Larry Bowen, the Junior Class President.

Mr. Pellon Morris then presented the various awards to the Senior Class.

Late — But Needed

A study of our city's needs which has been under way for the past year has resulted in a Comprehensive Plan of Development — a master plan on potential zoning and streets to handle immediate and anticipated growth problems.

Here Thursday night to meet with the city commissioners were Harold Schermerhorn, community planner for the Florida Development Commission, and his assistant John Haslam, to discuss their report which has now gone to the publishers.

Sgt Kardell Attends Policeman's Meet

Sgt Joseph Kardell attended the two day session held at the Florida Division of International Association for Identification 29-30.

Among topics discussed were general phases of police work, hypnosis, interviewing, use of plastics in court, bomb squad and aerial photography.

Rites In Knoxville For Webb F. Knight

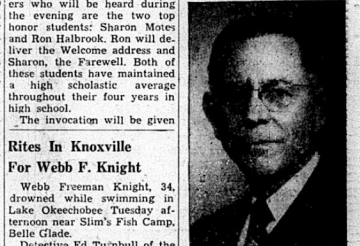

Webb Freeman Knight, 34, drowned while swimming in Lake Okechobee Tuesday afternoon near Slim's Fish Camp, Belle Glade.

Detective Ed Turnbull of the Sheriff's Dept., investigating, reported the body was recovered near the picnic area. The drowning which occurred shortly before 3:30 p. m. was ruled accidental. Deputy Kenny Harbison assisted Turnbull.

Local Delegates Leave For Assembly

Delegates from the Belle Glade Congregation of Jehovah's Witnesses are leaving this week for a three-day religious gathering in Orlando, June 5, 6, 7.

Mr. Miles P. Crum, local presiding witness minister, said that all in the congregation would attend, if at all possible, since the witnesses consider the association and instruction that they receive at such gatherings to be very vital to their Christian ministry.

"We must take advantage of opportunities such as this to receive spiritual food," Crum said, "inasmuch as spiritual food is as necessary to our spiritual welfare as material food is to our physical welfare."

As proof Crum cited Jesus' words at Matthew 4:4 and added that many talks and demonstrations by the delegates and Watch Tower Supervisors, Fred Barnes and Joseph Saia, would stress the application of Christians' principles among people of all nations in our present day society.

Faculty Scholarship Awarded Kay Williams

Miss Kay Williams, who plans to be an elementary teacher, is the recipient of the Belle Glade High School Faculty Scholarship. This scholarship, \$100 per semester for four years of college, is given each year to a deserving student on the basis of scholastic ability, need, and an expressed interest in the teaching program.

Kay is an active member of the Beta Club and is business manager of the annual staff. As an outstanding member of the Future Teachers Association, she participated in the exact teaching program under Mrs. Helen Spooner. UF Alumni

Johnny Schlechter Named Chairman of Loyalty Fund Drive

J. O. (Johnny) Schlechter has been named Chairman of the 1964-65 University of Florida Alumni Western Palm Beach County Alumni Association of the University of Loyalty Fund Campaign for Florida, M. E. McKay, President of the local Alumni Club announced May 22nd.

Chairman Schlechter said that during the next few weeks all area alumni would be contacted in an effort to reach the club's goal of \$435,000. Elmer Jones, Dick Korbly, Bunn McCall and Vince Marquess will be working with Mr. Schlechter as team captains.

"With 29 alumni of the U. of F. in this area, we should have enough support to reach our share of the statewide \$200,000 goal," Mr. Schlechter said.

According to Mr. Schlechter the Alumni Loyalty Fund has become more and more important in meeting the needs of the University of Florida. New programs are being initiated this year.

The Coordinated Local Alumni Scholarship Program (CLASP) is a new program to provide \$250 scholarships to selected high school students in this and other areas. The recipients will be chosen by local alumni clubs on the basis of leadership and scholarship ability.

Student aid and services to alumni are provided through the Loyalty Fund, as well as for needs of the University to keep up the quality of higher education in the classroom. "Many times, there are no other funds to meet these needs," Mr. Schlechter said.

The Dollars for Scholars program will provide \$450,000 to the National Defense Fund for UF students if the Loyalty Fund goal is reached this year. The federal government will match \$45,000 from the Loyalty Fund nine dollars to one for student loans.

UF Director of Alumni Services Bill Fleming said that over 4,000 University students received financial aid through this program last year.

No other appropriations are available for the acquisition of rare books for the University of Florida Library or the Alumni Loyalty Fund will provide funds for this purpose.

William R. Conway, President of the UF Alumni Association, said, "Through the Alumni Loyalty Fund, thousands of students have been helped; thousands of alumni have been served. A greater University is being built . . ."

Conway made a plea for the moral and financial support of all alumni to continue this work UF President J. Wayne Reitz has cited the Alumni Loyalty Fund as a means of making the University's bright future become a reality.

Here you are on the brink of vacation time. There's your Chevrolet dealer in the midst of Trade 'N' Travel Time. You two should get together! Object—celebrating the joys of summer in a new Chevrolet.

Why a Chevrolet? Well, with 15 models in four series, what possible reason is there to look further?

Plain Impalas are anything but. They come in all popular body styles, including wagons. They're dressed up to a far-the-well: fully carpeted interiors, upholstery as durable as it is attractive.

UNCLE DAN from DOOLIE says:

Dear Mister Editor:

Ed Doolittle, that gits his morning prayers mixed up with Abe Lincoln's Gettysburg Address, was claiming at the country store Saturday night the Republicans was gaining and would elect the next President.

Clem Webster, that says this country wasn't founded real good till Franklin Roosevelt took over in 1933, was of the opinion Ed has been reading the wrong newspapers, may be that New York paper President Kennedy throwed out of the White House. Clem was predicting we would be in the middle of great prosperity come election time in November and nobody was going to vote agin Santa Claus.

Ed come back with the claim the Democrats has done more with the English language than anybody since Shakespeare. He said under the Democrats we had slumps but no butts, down trends was just healthy adjustments, and inflation was now called disinflation. Ed said it made him recollect about Hitler's retreats. Hitler always called 'em disengagement from the enemy, said Ed, and he was slow but shore gitting disengaged from his money and if this was prosperity he was hoping fer the worst.

Clem argued that when Roosevelt took over, fer instant, his church didn't have but six hitching posts and now they got a paved parking lot fer 60 cars. Ed come back with the claim that afore Roosevelt invented the New Deal a farmer could trade one bale of cotton for two barrels of flour and now he had to shop around all day to trade fer two loaves of bread.

"From Showboat To South Pacific"

Beloved, popular melodies will be heard by the dozens in Opera Lyrica's "From Showboat To S. Pacific" to be presented at the Belle Glade High School Auditorium, Saturday, June 6, 1964 at 8:30 p. m.

The two-hour medley of American show tunes will employ nine singers, including local talent Baritone Milton O. Carpenter, under the direction of John E. Heckrote, Jr., and Stephen Chalfs, Music Directors of Opera Lyrica.

Songs like "You Are Love," "Can't Help Loving That Man," "Old Man River" from "Showboat," "If I Loved You," "You'll Never Walk Alone" from "Carousel," "Summertime," "I've Got Plenty" from "Porgy and Bess" "The Hills Are Alive," "tor,

"Climb Every Mountain" from "The Sound of Music," "Younger Than Springtime," "Some Enchanted Evening" from "S. Pacific" will highlight the evening with plenty of other songs from other musicals and operettas offered, like "Carnival," "Camelot," "Brigadoon," "The Song of Norway," "Kismet," "Desert Song," "My Fair Lady," "Silken," "The New Moon," "State Fair." The selections promise a great evening of light entertainment to the people of the Glades, since there will be musical numbers to please each and everyone. The songs are in English and "there are some beautiful-looking young people in the cast" — according to Jules J. Gyori, Artistic Director.

Featured soloist and Guest Star will be Milton O. Carpenter, Baritone who will appear for the first time with the Company. The Company yields to public demand when it will repeat two numbers from the well accepted and beloved presentation "Blossom Time" given in Belle Glade in November under the Lions Club's sponsorship. Even now during the Spring and Summer months plans are being worked out to bring Opera Lyrica productions on a once or twice a season basis to Belle Glade.

Seats for the presentation could be purchased from any High School Band member or from the Glades Drug Store or from Sullivan's Pharmacy, for the one night only presentation

Graduates In College

Soon another Senior Class will graduate from Belle Glade High School. Some of the members of this class will get married, some will join the service, some will work, some will study specialized training, and some will go to college to further their education. A high percentage of Belle Glade graduates go to college. It is most interesting to see all the students from Belle Glade who are presently in college, and to notice the outstanding achievements many of them have made.

Nine students from the class of '63 are presently enrolled in Palm Beach Junior College. A School Bids Farewell To Its Seniors

Graduation is an hour of paradoxes. It is a happy time; but it is also a time of sadness. Seniors, you are glowing with the realization that you have achieved an important goal. Beneath your veneer of smiles, however, is the gnawing awareness that you have reached the crossroads of life. There can be no turning back, no detour. Instead, each of you must follow that invisible arrow that directs your course of action, your destiny.

As you leave the halls of your Alma Mater, you do not go alone, however. With you goes a part of each of us whom you leave behind. In some instances, our philosophies have become yours; our memories, yours; our goals, yours. Truly, you have become a part of each of us, as we have become a part of you.

Because of our close associations, we shall miss you; for you are ours. Nevertheless, we would not hold you back. The world is yours if you can conquer it. We would not deprive you of your opportunity. Instead, we give you our blessings as we press our hands in yours and bid you that last farewell. We are proud of you and want to offer you advice that will make you even greater. Therefore, we borrow famous words as we say, "Be good... and let who will be clever. Do noble things, not dream them, all day long; and so make life, death, and that vast forever one grand, sweet song."

"Kindergarten Class Graduates—Now Class Of '64"

Some of the class of '64 are old hands at graduating, for they were in Miss Gillman's graduation class in 1952. The closing exercises were held May 29, 1952, at Jameson Hall. The master of ceremonies, Dick Willis, introduced the entertainment by the children who were accompanied at the piano by Mrs. C. R. Townsend, Margie's mother. The chairman of the Kindergarten committee was Mrs. F. C. Dooley, Patsy's mother.

Since that graduation, the seniors have had twelve eventful years. In grade school they gave skills. In second grade the class of '64 was known as "Polio Pioneers" for being among the first to take Salk vaccine. The highlight of the sixth grade was the Maypole Dance and the coronation of Ronnie McWhorter and Marilyn Rabin, May day king and queen. As seventh graders they moved to the high school building and gradually became used to the bewildering schedule of classes and having more than one teacher. As juniors they transformed the gym into a scene from antebellum days with "Tara" the plantation in "Gone with the Wind" and also received their class rings. As seniors they decorated a float for the Ram pageant and enthusiastically cheered the Rams on to victory. They waited with ill-concealed curiosity while the juniors class of '65 decorated for the Oriental prom "Enchanted" and participated in the grand march in their new finery. Now, as the time draws near for graduation, they address announcements, write thank you notes, imagine graduation night, and think of old memories.
